

## Wes Abi Kitchen Script

*Title sequence.*

**WES:** Hi. I'm Wes.

*Wes sitting on stovetop.*

**WES:** So today is a new segment I like to call Wes cooks cool stuff. Today I'm going to show you how to make wasabi deviled eggs! It's super simple and I love making this recipe. So basically we're gonna to take two eggs.

*Two eggs appear on stovetop.*

**WES:** We're gonna plop them in this water

*Pot of water appears, eggs implicitly inside.*

**WES:** until they boil, for about ten minutes.

*Wes steps back and distances himself from boiling water.*

*Shot from above showing eggs in boiling water.*

*Wes Abi on table next to hard boiled eggs.*

**WES:** Then poof! We're gonna take them out. And cut them in half!

*Wes Abi with wiggling knife next to eggs being cut.*

**WES:** And then we're gonna take the insides, and mix them with some mayonnaise and wasabi.

*Shot from above of cup with mayonnaise and wasabi being added.*

**WES:** And then we're gonna put them back in.

*Shot of eggs being refilled with wasabi-yolk mixture.*

**WES:** And now we're done. So thanks for watching! Please subscribe for more cool recipes and life videos and all that. Or don't. It's up to you. But it'd be cool if you did. K. Thanks for watching! See you soon.
