Things :30

This is Gus. Gus is a handful.

We don't know what this thing is.

But someday Gus will. Because this is the thing that Gus will build that will change the world.

And this is the thing that could change Gus's world.

Gus doesn't know what this thing is.

But we know what this thing is.

This is the thing we'll help Gus get rid of.

And without this thing, Gus can grow up to build this thing.

Whatever that thing is.

Because that's what we do. We do health things,
and we do those things for Northern California, birthplace of pioneers.
