Daily blends to revitalize your lifestyle

Utilizing the latest breakthroughs in anti-aging science, Hebe's blends are designed to maximize both lifespan and health span by activating your body's survival circuitry on a molecular level.

Our unique Longevity Matrix keeps cells healthy, resilient and youthful by utilizing the following ingredients:

**Nutritional Adversity:** Plants with superior polyphenol content, which stimulates our survival circuitry and activates our longevity genes.

**Resveratrol:** The plant compound largely responsible for longevity gene activation.

**Nicotinamide Dinucleotide (NAD<sup>+</sup>):** A natural molecule that increases cellular NAD<sup>+</sup> to youthful levels.

**Collagen Peptides:** A protein with a superior amino acid profile that sets the stage for additional collagen production in skin, hair, tendon, cartilage, bones, and joints.
