LOST YET FOUND VIDEO

Final Script —1:30

VOICE OVER:

If you're going, go where fate guides you.

If you're lost, you are about to be found.

VO:

This is Bermuda.

VO:

A place where you can disappear from the ordinary

VO:

and still show up in style.

VO:

A full-body experience of bold flavors and natural wonders

It's the first sip of a dark 'n stormy

It's the art, the history, the music, the magic—

VO:

And a tradition of making waves

VO:

If you're searching for something deeper, dive in.

Under the surface, crystal-clear water holds our secrets.

VO:

Bermuda is a mystery to the world

A chance to capture your own definition of beauty

A place where life moves to the rhythm

Of the earth, the sky, the waves and the snare drums

VO:

There are no strangers here, only

adventurers, dreamers and storytellers

Proverb

Outrunning anything that stands in the way of pure joy

VO:

If you're open, Bermuda will reveal itself to you.

If you're here, your luck has already changed.

VO:

Let destiny bring you to Bermuda

Where you can wander off-course

And still end up where you belong

VO:

If the fates do lead you here

VO:

You'll discover the best place to disappear.

VO:

In Bermuda, you're Lost Yet Found.
