

# THE COLLECTIVE

## MEET JAMIE WINDUST

Named one of London's most influential people by the Evening Standard, Jamie Windust is an award-winning non-binary author, host and LGBTQ+ trailblazer who has written for everyone from Gay Times to British GQ.

## MEET BASMA KHALIFA

Filmmaker, director, writer, and Women for Women International ambassador, Basma Khalifa creates thought-provoking films and articles on race, identity, faith and gender.

## MEET GABRIELLA WILDE

Gabriella is an actress, model and ambassador for Project Mama, an organisation offering holistic support and companions for displaced people throughout pregnancy, labour, childbirth, and early parenthood – so no refugee or displaced mother feels alone.

## MEET VAS J MORGAN

Editor, founder and activist, Vas J Morgan has established two influential movements: WE MATTER, that offers a safe space for discussion of mental health, and the Vas Morgan Foundation, fighting for better education in Africa.

## MEET JEANNIE JAY PARK

Jeannie is a model-turned-activist who advocates for Asian American women. On a mission to create a world of greater unity, she created Sanitation Nation, a not-for-profit collective merging fashion and activism.
