

BUILDING ELEGANT RELATIONSHIPS

Mutuality. Respect. Listening. Learning.
Affection. Care. Teamwork. These
are the traits that spark kinship both
professionally and personally.

The art of surprise

The ask was to
make something
beautiful.
The goal was to
craft something
memorable.
From there a single
piece of walnut
came to be a desk.

Creative people inspire creative thinking.

IN PERFECT TIME

Building is all about the management of time. Coordinating everyone involved like different instruments in symphonic alignment—making beautiful music together.

IN PERFECT TIME

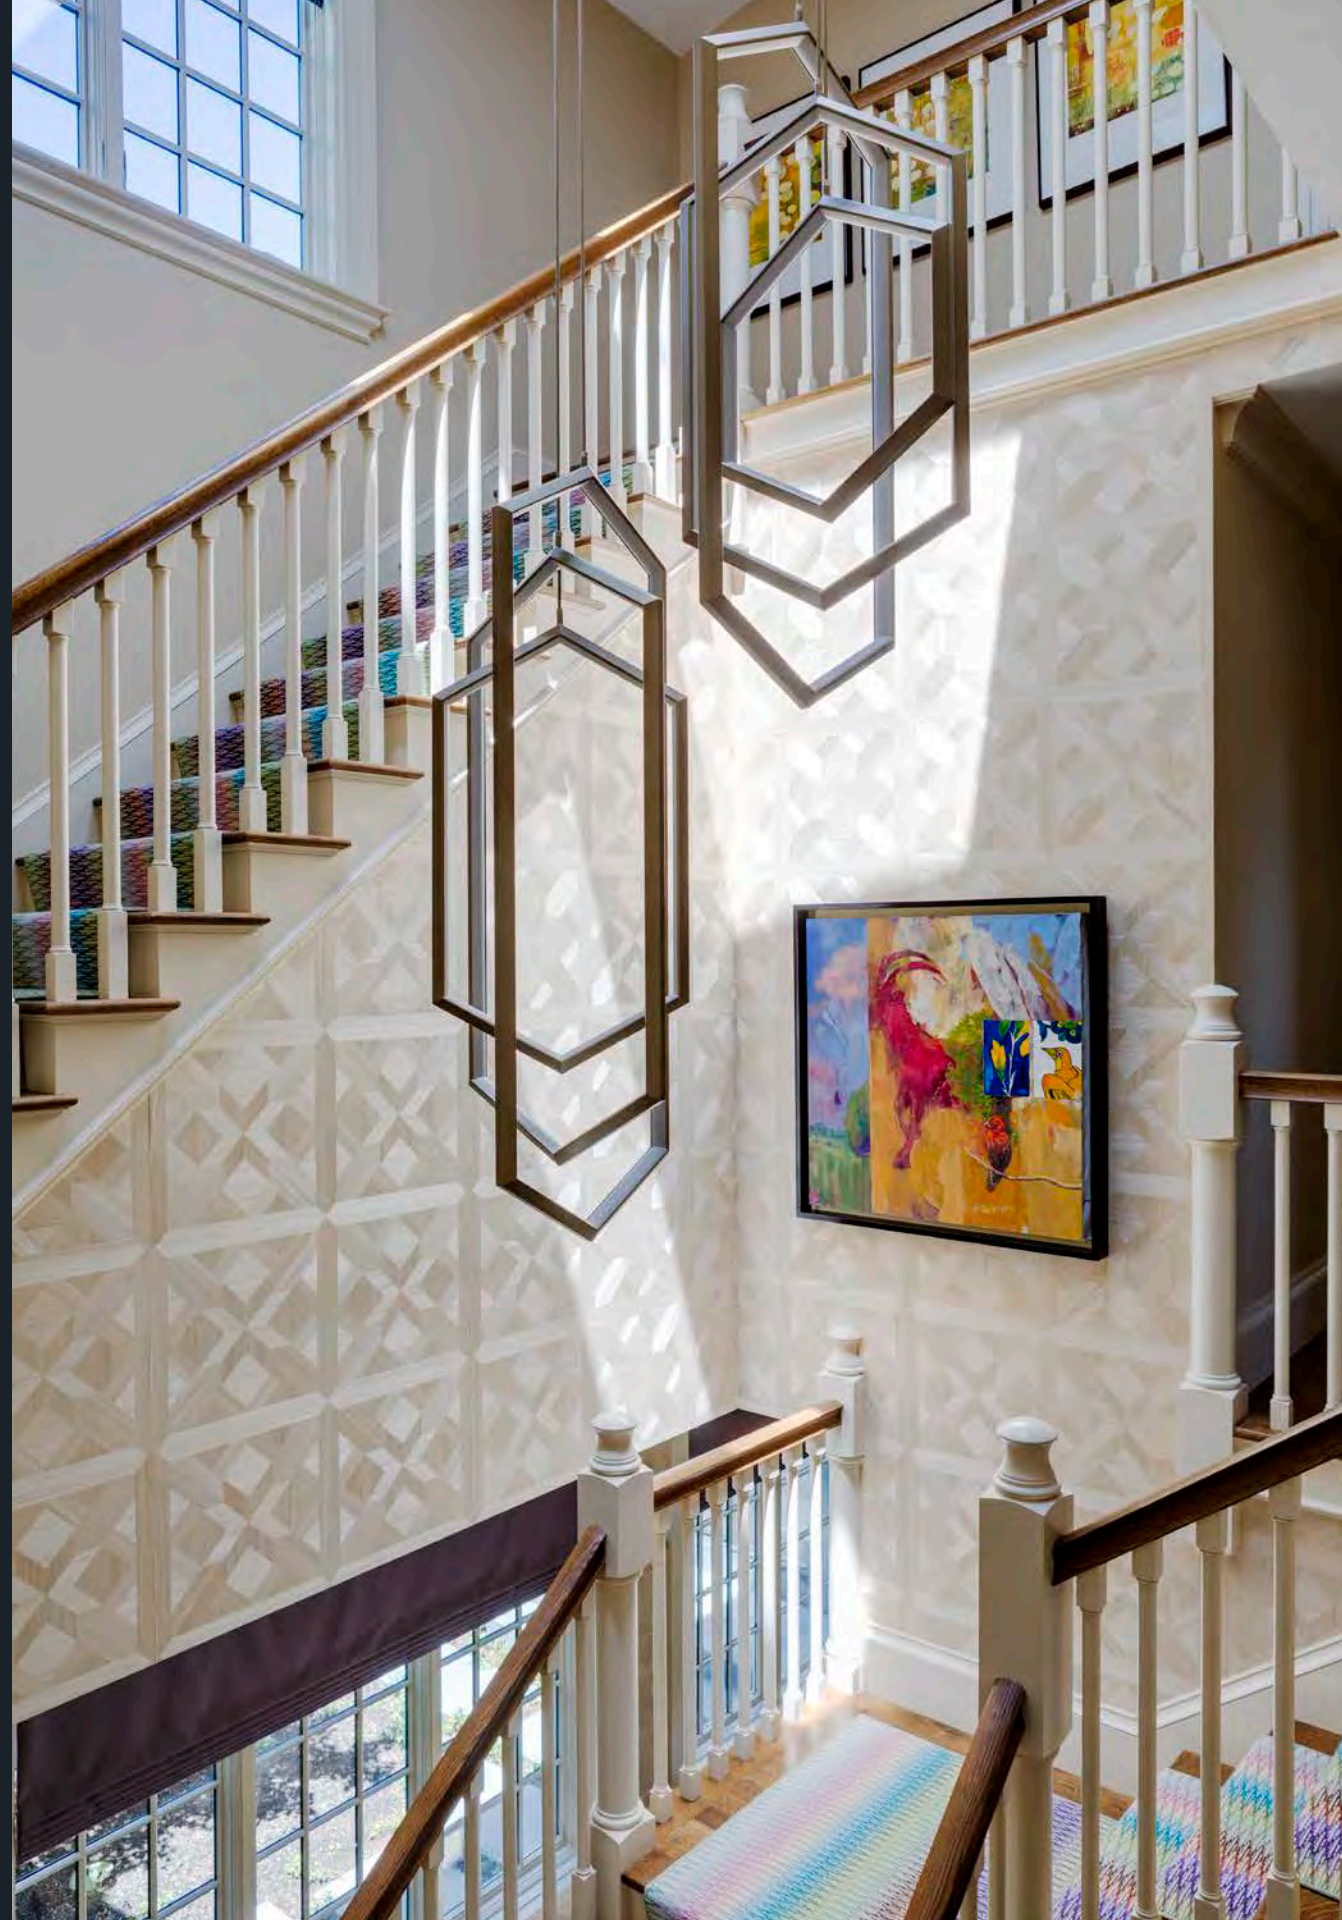

Building is all about the management of time. Coordinating everyone involved like different instruments in symphonic alignment. When it flows, beautiful music is made.

Intangible aura in every room

A sense of feeling
something truly special
through the thought,
care, and artistry of
each feature.

THE INTERSECTION OF INGENUITY AND ARTISTRY

THE INTERSEC INGENUITY A

“ When you have people who love their work and do it passionately, you know you're going to get an excellent product. ”

—Homeowner

Honor the integrity of what once was. This ladder, part of the reclaimed material from this 19th-century animal barn has found new life in this live-and-work space fitted with the most modern of technologies.
