Submission Agency/Studio : Allegra Anderson Photography

Entry Name: Intersection of Nature and Art

Category: Books/Publishing - Photography

Client: James Doyle Design Associates

This stunning book showcases the beautiful works of James Doyle Design Associates (JDDA) as contemporary practitioners of the discipline of landscape architecture, with an origin in garden design. JDDA's world-class and award-winning landscape designs enrich the lives of the people who use them. They are as inspired by the future as they have been by the past and strive to create beautiful and sustainable solutions that blend a unique sense of place with a thorough knowledge of the principles and practices of landscape architecture today.

This book:

- Provides a comprehensive insight into a wide selection of JDDA's stunning works of landscape architecture
- Presents an intelligent portrayal of JDDA's sense of sensitive contemporary design, with informative essays and narrative descriptions of each design
- Features detailed studies, rich, full-color photographs, diagrams, and plans
