Woof! Woof! What are you waiting for?

FEEDING INSTRUCTIONS: This product is not recommended for dogs under 15 lbs. Watch your dog when feed the treat. Not for human consumption. Make sure your dog chews the treat well before swallowing. The product is a treat and should not be used as a replacement for dog food. The caloric intake from the treats should not exceed 10% of a dog's total daily caloric requirement. The amount of daily dog food should be reduced accordingly when the treat is fed to your dog. Provide your dog fresh water after the treat has been fed.
