TELEVISION COMMERCIALS (SINGLE AD) | \$10K-\$50K
CT Department of Public Health - Colorectal Cancer Screening Awareness

“For Every Tomorrow - Fridge”

A lifetime is made up of beautiful moments. Filled with ups and downs. We remember the laughter around a bonfire, the anticipation before a family vacation, taking your kids to the park, and the smile exchanged between friends. We’ve come so far, together. Which is why it’s important to get screened for cancer, so we can keep making more yesterdays by being there for every tomorrow.
