

Accredo By Evernorth Junior Care Force Website

CLIENT: Evernorth Health Services | AGENCY: The Cigna Group Internal Agency

Accredo by Evernorth provides specialty pharmacy and care services to people living with chronic and complex conditions, like hemophilia. These conditions can be scary, hard to understand and hard to live with. Enter the Junior Care Force – a supercharged educational experience that helps kids with hemophilia, (and their families and caregivers) learn about living with and managing their condition. With games, quizzes, puzzles, DIY activities and more, JuniorCareForce.com makes learning and good health more fun!
