Diversity and Inclusion

As a values-driven organization, the Golden West Chapter believes in a culture of service and support where all forms of diversity are welcome. We wholeheartedly reject hate, racism, injustice, discrimination, and violence of any kind. We are committed to anti-racist, anti-oppression perspectives that promote equal access to ALS treatments and care. We hold ourselves accountable to root out bias and to take action for fair and equitable treatment for all.

Fighting for effective treatments and cures, and helping people with ALS to live their lives to the fullest.

“Our vision is to create a world without ALS.”
