

Globe Santa

Hi Globe Santa I am the guardian to 4 siblings - yes 4 siblings that I have custody of due to a situation removed from their home a week before Christmas. Their ages are 11 - a girl 8 - a girl 4 - a girl, they were all separated and sent into all different foster homes. I was hoping that they are all back together now. I was hoping that I could make Christmas as memorable as my own. I was hoping that I could make Christmas as memorable as my own. I was hoping that I could make Christmas as memorable as my own.

Globe Santa delivers holiday gifts to children in need

Globe Santa is the signature program of the Boston Globe Foundation. For nearly 70 years, Globe Santa has delivered books, toys, and games to more than 3 million children in need throughout the Greater Boston area.

More Children in Need

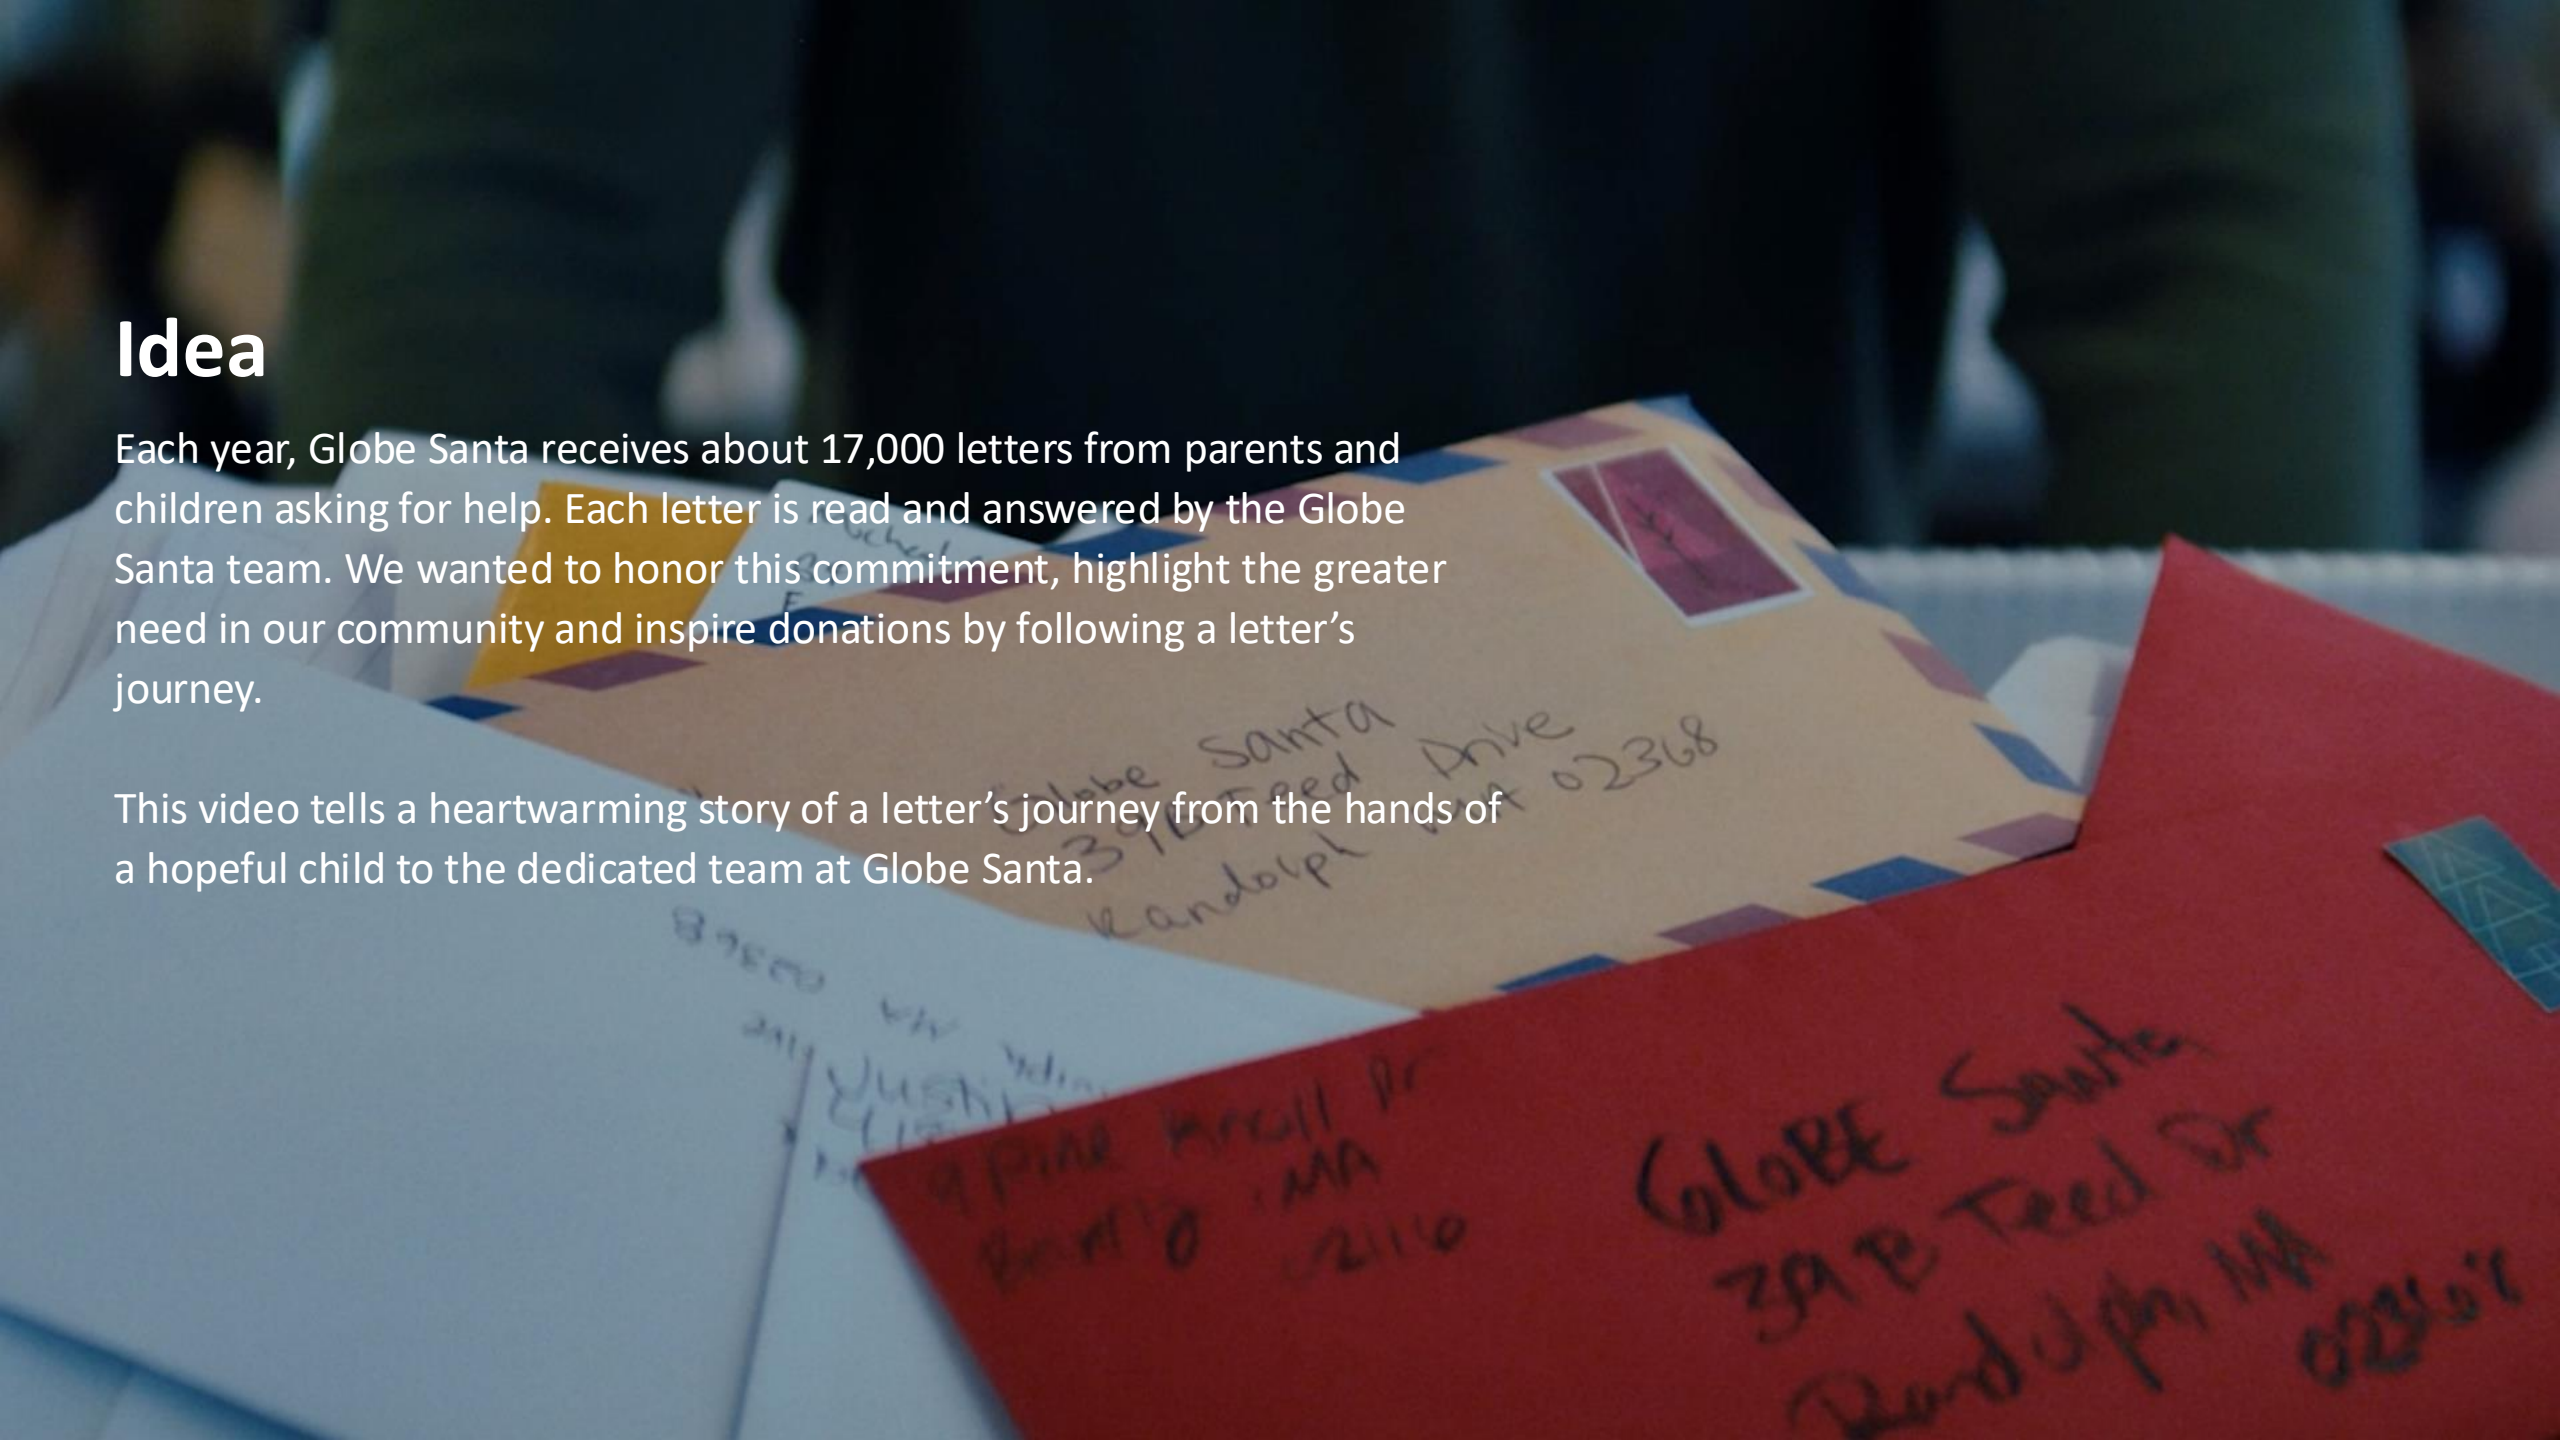

The charity is largely funded by donations from individuals & organizations within the Boston community. With the lasting financial effects of COVID and inflation on the rise, more children in the Boston area were in need than ever before.

Idea

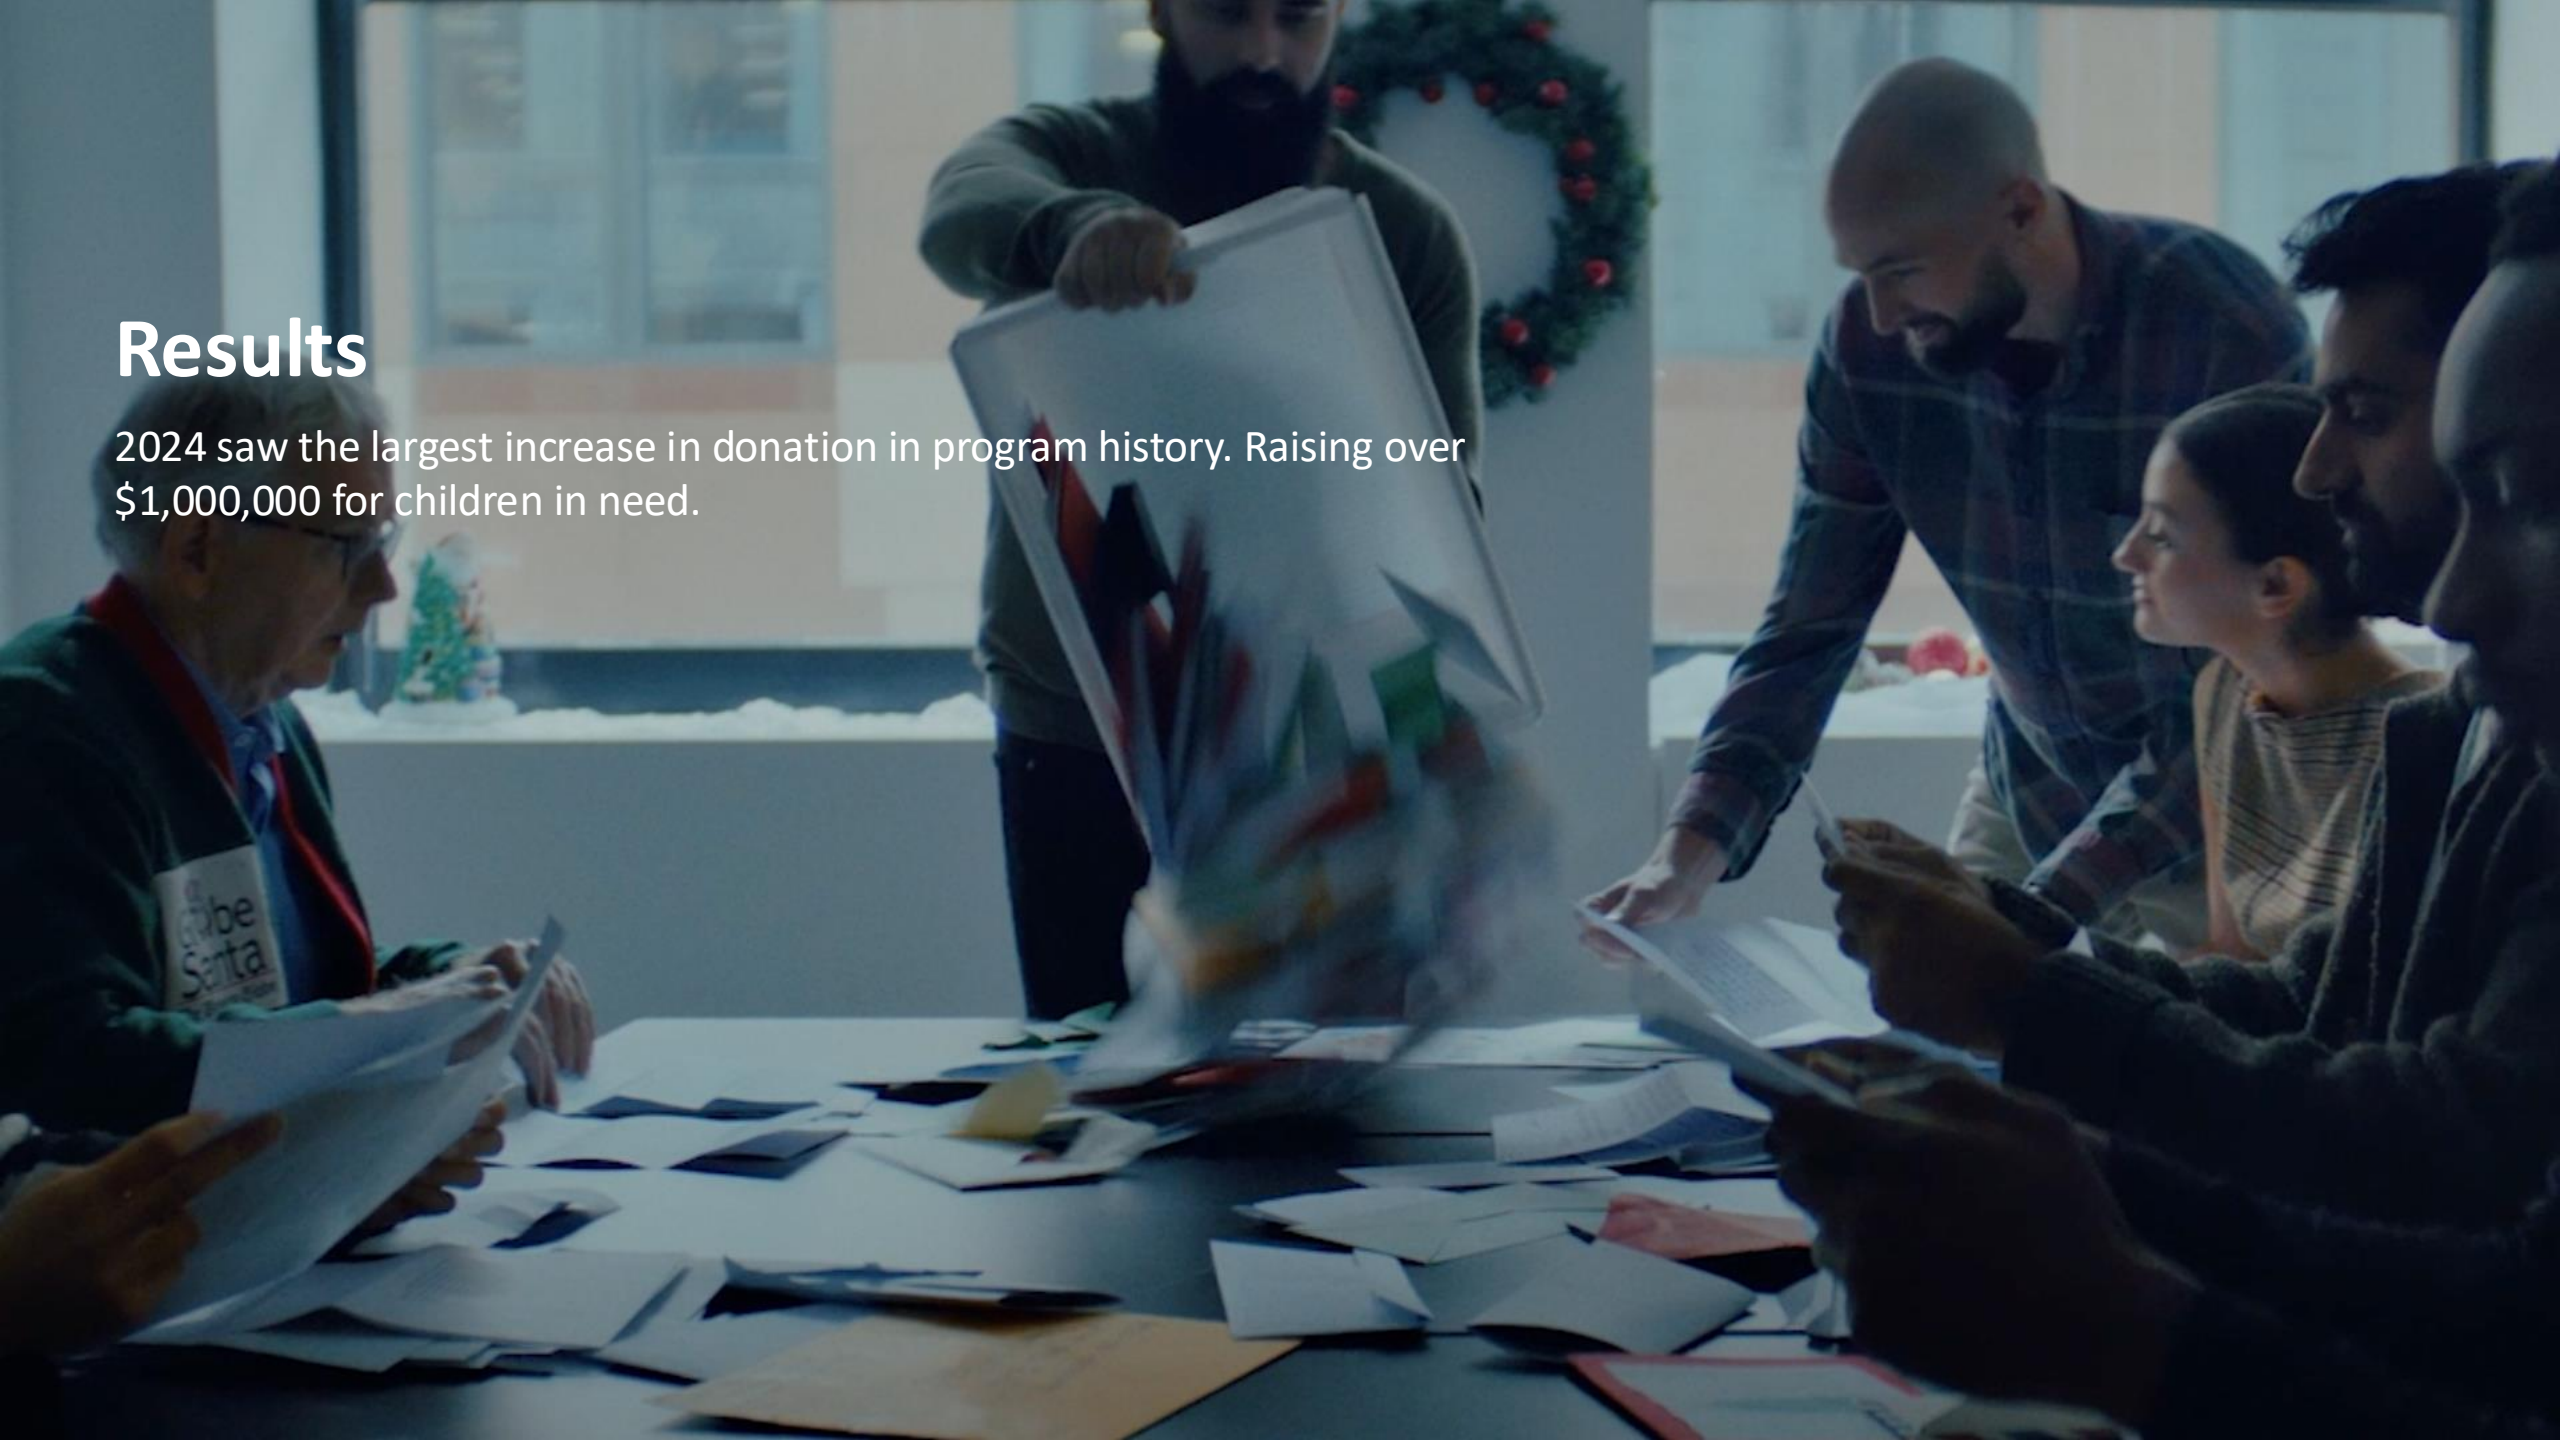

Each year, Globe Santa receives about 17,000 letters from parents and children asking for help. Each letter is read and answered by the Globe Santa team. We wanted to honor this commitment, highlight the greater need in our community and inspire donations by following a letter's journey.

This video tells a heartwarming story of a letter's journey from the hands of a hopeful child to the dedicated team at Globe Santa.

Results

2024 saw the largest increase in donation in program history. Raising over \$1,000,000 for children in need.

Thank you
