Re:
Response

"When you boil it down, our people are the living heart and soul of Response Media, and I'm so appreciative to the thoughtfulness and willingness of our entire team to roll up their sleeves and help one another and the greater team (Response Media, clients, and partners) deliver their best."

SHANNON DOYLE

Senior Director, Integrated Media

Re:
Response

"I love that my role wears every hat - I get to be involved in everything and assist with a campaign from start to finish! There is no silly question with my team, and they provide a great environment to learn and we all care so deeply about the work we produce!"

BROOKE SPRATLING

Senior Project Manager

Re:
Response

"I love our agency! Response Media creates an environment where we can thrive, learn, and grow together. The support, collaboration, and energy here makes every day a good day – I truly wake up happy to do what I love!"

BENJAMIN FILIP

Senior Director, Analytics

"I love the role at Response Media because our culture relies on Data and I get to lead a team that participate in every aspect of the business and informs other experts from a data perspective"

MADISON TRAUGHBER

Account Executive

Re:

Response

"I love building strong relationships with clients and making sure we exceed their expectations. Being on the CX team at RM definitely embodies the "work hard, play hard" mentality and is such a fun group to be a part of!"

DAVID DYER

UX & Front End Developer

Re:
Response

"I love working for the Tech Team at Response Media, giving me the daily challenges of devising solutions for both development and design projects. Working under the brilliant Brittney Miller, together we have made great work come to life for our clients."

BRITTNEY MILLER

Lead Front-End Developer

80

Re:
Response

"I love my role as Lead Developer because I get to build and optimize websites and engaging emails while solving fun front-end challenges."

KIBBE HORNE

Senior Account Director

Re:
Response

"I love working at RM because of its close-knit, family-owned feel, where collaboration, support, and celebration are at the heart of everything we do. I get to work with an incredible team that welcomes everyone with open arms, values contributions at all levels, and is committed to empowering, enabling, and elevating each other every day."

EMILY BREYEN

Associate Media Planner

80

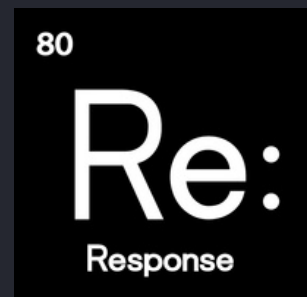

Re:
Response

"As an Associate Media Planner, I love how the work I do is constantly changing. Very rarely are the day to day tasks the same and because of this I have learned a tremendous amount in such a short period of time. My team has never let me be afraid to fail, they are always supportive and encourage me!"

CHANCLER HARRISON

Project Manager

"The best part of working at Response Media is the amazing teamwork and collaboration. Everyone jumps in, shares ideas, and finds creative solutions together, it makes everything we do more fun and rewarding! Plus, everyone somehow puts up with my endless questions and constant follow ups on tasks... so I think they like me!"

MAKENNA NORWOOD

Marketing Manager

Re:

Response

"Transitioning from an intern to a full-time position at RM has been very rewarding. From day one, I felt valued as a contributor, and the supportive team culture has made my professional growth seamless. I love being part of a team that truly cares about the success of our clients and each other."
