

# Can you see what PERQ is all about?

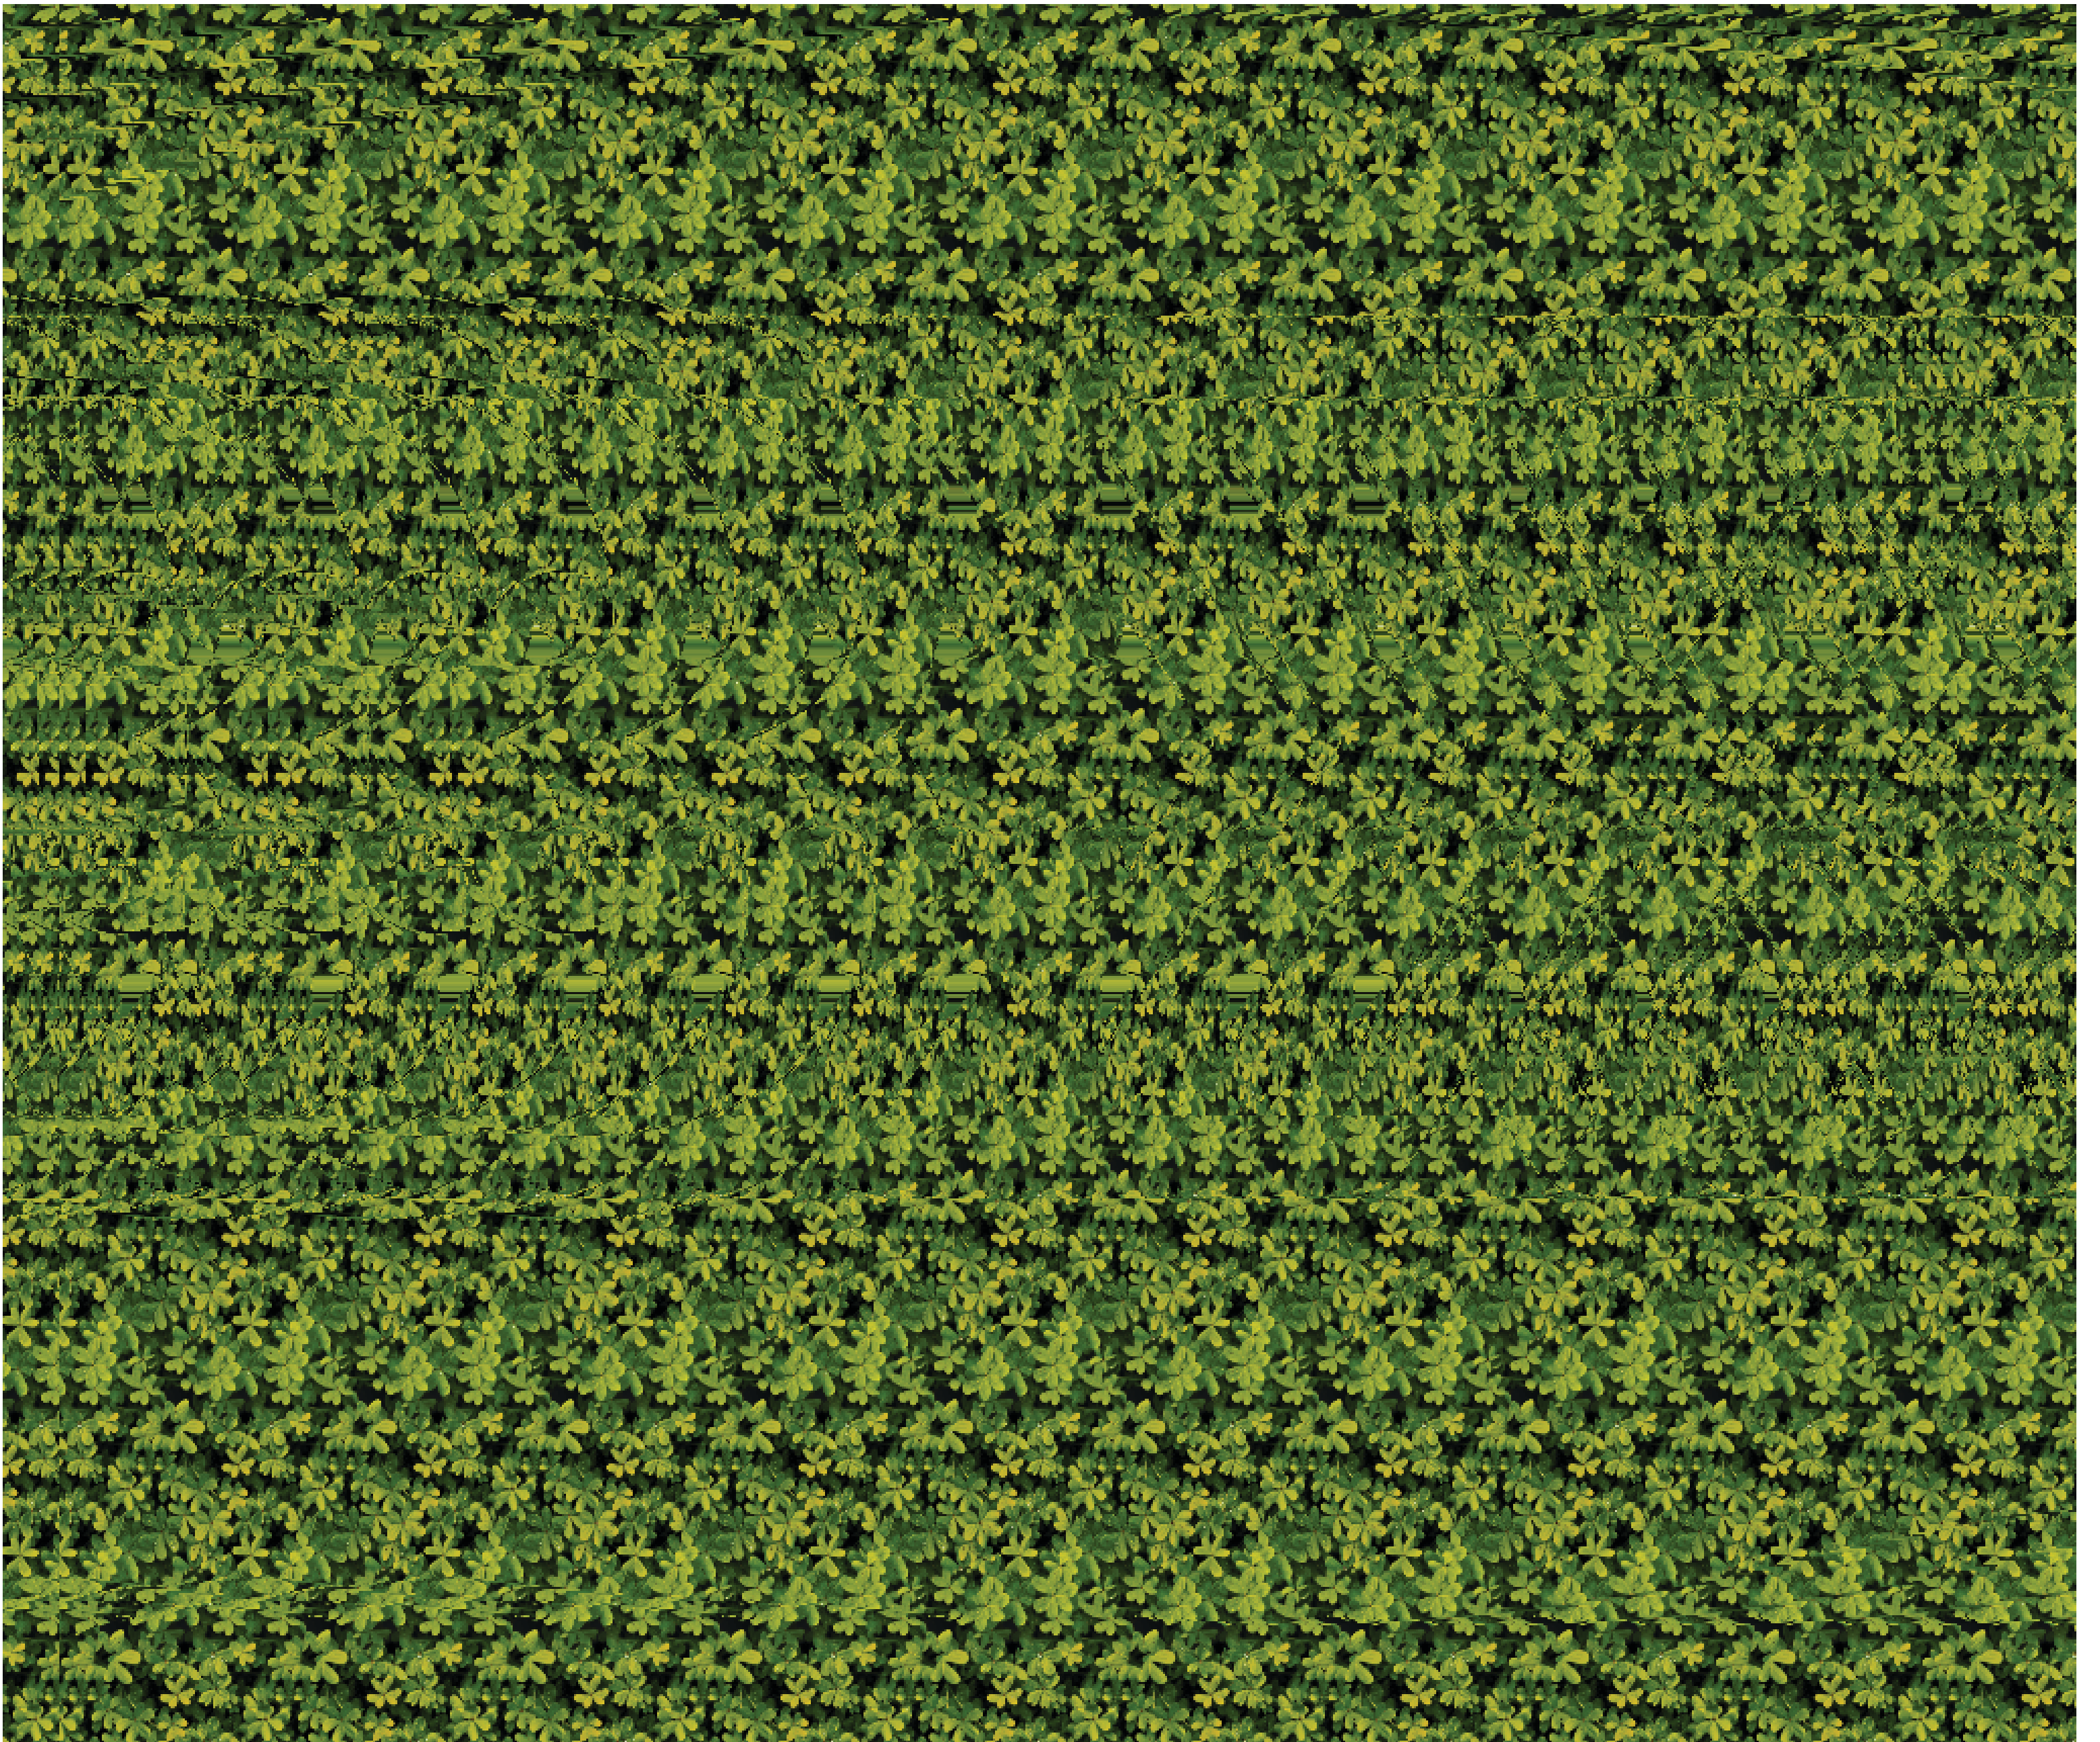

Spot the hidden word in this stereogram and score exclusive swag!

---

**Need help?** Start with your face close to the poster and focus your eyes near the center of the image. Relax your focus and slowly move away from the image so it gets blurry. You might see a double image, but as you continue to move away and closer and away again slowly, the hidden 3D image should appear!
