

THE BUSHNELL QUARTERLY

Muse magazine: Season 2024 | 25

Muse magazine is a bullhorn for the Bushnell. The publication is a 40+page, full color print and online quarterly that both promotes The Bushnell's events and solidifies its status as an arts leader in the community. Over each Season, the magazine's goal remains the same; contain event information, create actionable links to the box office, and build community.
